ROSS, United States District Judge:

On December 22, 2005, pro se petitioner Alexander Soto, who has filed a habeas corpus petition in this court, submitted a motion for a preliminary injunction to bar respondent Creedmoor Psychiatric Center from medicating petitioner over his objection. The court directs respondent to file a response to petitioner's motion for a preliminary injunction no later than January 9, 2006. Also, in light of petitioner's multiple motions for immediate injunctive relief, the court orders the following, more abbreviated,<sup>1</sup> briefing schedule for the habeas corpus petition: Respondent must file its response by January 9, 2006; petitioner's reply, if any, is due on January 20, 2006. The court notes that should petitioner submit his reply earlier than January 20th, the court will expeditiously adjudicate his claims.

SO ORDERED.

  
Allyne R. Ross
